

FORD PERFORMANCE

Ford Performance is the highspeed arm of Ford Motor Company that engineers and innovates Ford products for all disciplines of racing. From the original Flathead V-8s in 1932 to the Daytona 500, 24 Hours of Le Mans, and worldwide Rally Cross events, Ford Performance has been there, done that while continuing to push the edge of what is capable on the quarter mile, on the road or through the woods.

Ford Performance has been a Contributor to American-Canadian Tour Racing since 2010

Ford Performance contributes \$200 to the Winner in Each American-Canadian Tour Event who Runs an Approved Ford S347JR Crate Engine and is Registered with Ford Performance
